Dear Parents;

We are so happy that your child has decided to play 5th and 6th grade basketball for St. John Nottingham. I just wanted to take this opportunity to inform you of some things that happen in our Cleveland Lutheran Elementary League that may not happen in other leagues.

This league is designed to foster growth and development. It is not a competitive, win at all costs league. Our 7th and 8th grade league is very much more competitive but our 5th and 6th grade is more about learning the rules and how to play the game of basketball.

We have volunteer officials for 5th and 6th grade. If any one has officiating experience and would like to volunteer their time for some or all games, please contact me.

I have attached the rules on the back of this letter so that all fans can be aware of some rules that we do differently than other leagues. If you have any questions, comments, concerns, or issues.

In Christ,

Mr. Matthew Luecke
